PREPARING STUDENTS  
**FOR LIFE**

## Preparing Students for Life

Your child will receive an incomparable education that will help them go far at **Mt. Airy School**.

For the 2021-22 school year, we will be back and stronger than ever with in-person learning five days a week and established safety protocols. Here, your child can:

- Take F.L.I.T.E. in our Formative Learning through Integrated Technology Education program. We help our students master every aspect of STEAM — from robotics to coding — to help them thrive in tomorrow's careers.
- Expand their academic and social engagement opportunities beyond traditional school hours at our new after-school daycare program.
- Pursue their passions through our after-school activities, such as Scouts, tennis, theater and more.

We have a place for you, too. Join our active Parent Teacher Organization to help our school better serve our students and community.

Mt. Airy School serves grades Preschool-6.
